## **Faith in Islam—and in America**

Good sense will prevail. All Americans will come to understand the good that has come from Muslim immigrants

*By Imam Feisal Abdul Rauf*

If anyone wants to see how religious faith can overcome fear during xenophobia, one need only to look to the lives of our prophets. Moses, Jesus and Muhammad all faced people who sought to kill them for speaking God's truth. Yet no political system has successfully waged a campaign against any religion or religious adherents.
